Hello,

Yes, I am the POC. I see the response was forwarded to your docket 11/27/2007. Could you please indicate if this a "1+" or a "2" on your amended docket?

Thanks,
Maureen

Applicant's amendment after restriction has left claims 1-10 in 118/715+.

Please arrange a transfer at your earliest convenience. If classification of these claims is not correct, please suggest an alternate home for the case.

I got your name from PALM as POC for transfers to this area of 118. If this is not correct, or there is someone else I should talk to, please let me know.

Thanks.
